Guaranteed capital

The capital deposited is guaranteed in its entirety on the maturity date of the deposit or on the advanced call-up date if permitted under the specific conditions of the deposit.

Deposit Guarantee Fund

Deposits made with Banco L. J. Carregosa, S.A. benefit from the repayment guarantee provided by the Deposit Guarantee Fund whenever deposits are unavailable for reasons directly related to the Bank's financial situation.

The Fund guarantees the repayment of the overall amount of cash balances of each depositor, whether or not resident in Portugal, and of deposits denominated in national or foreign currency, provided that such amount does not exceed the guarantee limit defined by law.

The Deposit Guarantee Fund guarantees repayment up to a maximum of €100 000 00 per depositor.

In calculating the value of deposits of each depositor, the value of all deposit accounts on the date on which payment became unavailable is taken into account, including interest. The balance of deposits in foreign currency will be converted to euros at the exchange rate in force on that date.
